The Family Educational Rights and Privacy Act (FERPA) was amended by Congress in the No Child Left Behind Act of 2001 (NCLB). The amendment to FERPA included information and rules regarding access to student academic records and the transfer of school disciplinary records.

Section 1002.22(2)(c), Florida Statutes, defines records as official records directly related to students that are created, maintained, and used by public educational institutions. Materials that are considered as part of a student's record include, but are not limited to, verified reports of serious or recurrent behavior patterns. Additionally, as indicated in section 1002.22(3)(d)(1), Florida Statutes, student records may be forwarded to the school to which the student intends to transfer without parental consent.

In addition, section 1006.07(1)(b), Florida Statutes (District school board duties relating to student discipline and school safety), requires each district school board to adopt rules that require each student at initial registration for school enrollment in the district to report any previous school expulsions, arrests resulting in a charge, and juvenile justice actions the student has had. This section also provides authority for the receiving school board to waive or honor the final order of expulsion or dismissal of a student by any in-state or out-of-state public district school board or private school for an act that would have been grounds for expulsion according to the receiving district school board's code of student conduct.

Parent Contract 2020-2021

Student Name: _____ **Grade:** _____

- Parents are to ensure that their child arrives on time. Students must be in their seats by the start of class as published in the Student Handbook. Any student arriving after this time will be issued a tardy slip. Students accumulating ten (10) unexcused tardy per school year will receive a note for excessive tardiness. Continued tardiness and absences may result in the student's loss of enrollment preference for the following school year.
- Parents are to contact the school office if their son/daughter (the student) is going to be absent. On the day the student returns to school, he/she must bring a note from the parent(s) explaining the reason for the absence, otherwise, the absence will be considered unexcused.
- The school believes that parents play an integral role in their child's educational and social life. For this reason, the school asks that a parent/guardian personally transport their child to and from school.
Carpooling is permitted, as it too, positively contributes to the child's socio-educational life.
- Parents are to ensure that their child is wearing the proper attire as stated in the Student Handbook. Students who arrive at school without the proper attire will be disciplined, as stated in the Student Handbook. Hoodies are not permitted at any time.
- Parents are expected to provide lunch each day for their child. The student may bring their lunch from home or purchase a lunch from the school.
- A student's parent/guardian must agree to volunteer a minimum of twenty (20) hours per school year or thirty (30) hours per family. All volunteer hours must be completed prior to the end of the school year.
- Parents agree to read and use the information sent home from the school so that they are informed of activities and academic opportunities provided by the school.
- Parents and students are required to read the Student Handbook. The Handbook details the responsibilities that staff members, students and parents are expected to fulfill.
